Harmony Gardens

Welcome to Harmony Gardens, a senior community, with its tranquil garden settings and wide-open spaces, it's no wonder why more and more seniors are moving to Harmony Gardens. Here you'll find the conveniences and amenities you want and the lifestyle you deserve all for probably less than you thought, which makes it the perfect place to call home.

Harmony Gardens is a gated community with controlled access entry in a peaceful and serene setting. The community is close to grocery stores, pharmacies, restaurants and retail centers.

Each kitchen is equipped with an oven/range combination, disposal, and full size frost-free refrigerator. The rooms feature wall-to-wall carpeting and easy to clean, no wax vinyl flooring in the kitchen and bathroom. Cable TV is available and heating and air conditioning are individually controlled. The recreational clubhouse features game tables, a lounge area, TV/VCR and stereo, and a fully equipped kitchen. There is a social activity program for residents, and a therapeutic spa and sundeck with a barbecue and seating areas.

The community has a 55 and over age requirement and the grounds are professionally landscaped.
