APARTMENTS

at The Gateway

## Northgate

Nothing in the Mountain West compares with "The Gateway". This is a redefinition of downtown living for Salt Lake City and right in the middle of it all sits Northgate Apartments.

You'll enjoy world class restaurants, theaters, and the best shopping right at your doorstep. This is a masterfully designed residential community that is also within walking distance of virtually all the amenities that downtown Salt Lake City has to offer. When you do find the need to roam beyond your new neighborhood you have the convenience of the TRAX light rail line, which begins across the street from The Gateway.

Together, Northgate Apartments and the Gateway offer a perfect blend of the amenities you want and the lifestyle you deserve. Spacious one and two bedroom floorplans are available with designer kitchens and full-size refrigerator, stove/oven, and dishwasher. Each apartment is equipped with a washer and dryer, is wired for high speed internet, and has underground, assigned parking.

Facilities include a community lounge with a party kitchen and entertainment center. The library includes two computers with free high speed internet access. You can enjoy a workout in our fully equipped exercise facility or simply take in the city views from our private terraces and balconies (on select units).
